Note: The order of the sightseeing might be amended by our tour guide for time & customer value maximization but the places to be visited remain unchanged.

***** Special Arrangement: Enjoying Local Flowers**

Cherry blossom in March; China Rose in April; Hydrangea in May; Lotus in June.

Note: The flower blooming is highly affected by climate and temperature. If the flowers have not yet bloomed or off-season, it will be replaced by Fruit Picking (with a complimentary 200 grams per person). For special circumstances, we will substitute it with a visit to Waterfall Park + a complimentary cup of CHAGEE per person.
