Shuangqiao Valley of Mount Siguniang Switzerland of Western Sichuan

Discover **Mount Siguniang** graceful appearance from the best location and enjoy the classic scenic hiking routes at its scenic valleys. **Shuangqiao Valley** is one of the three valleys about 7 kilometers from Siguniangshan Town

Mugecuo

Breathtaking Scenery

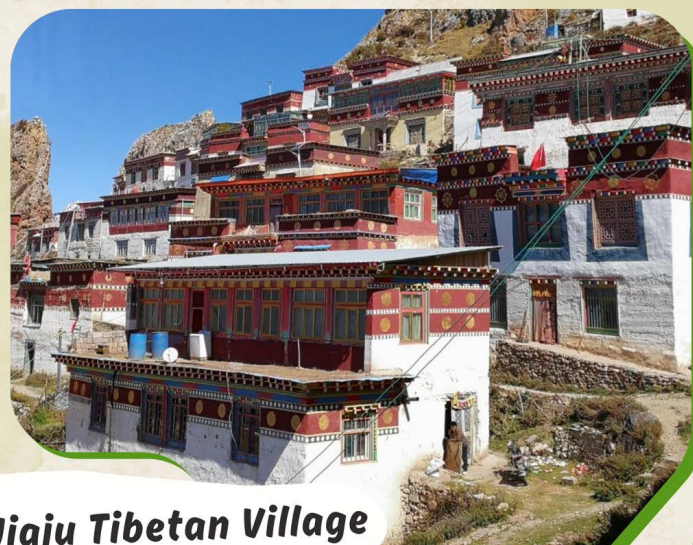

Mugecuo is a national **4A scenic spot** in Mt Gongga, which also one of the largest alpine lakes in the northwest of Sichuan. It offers a landscape and cultural tourism experience, where visitors can enjoy views of snow-capped mountains, grasslands, primeval forests, rhododendron flowers, and the Tibetan pastoral lifestyle. This tranquil place allows people to immerse themselves in the wonders of nature and feel the power of purity and serenity.

Moshi Park

The black surreal wonderland of Western Sichuan's "alien planet"

Features in unique geographical landform due to thousands of years' geographic movement and weathering. It is the only stone forest on plateau in China and its spectacle can be compared with South China Karst.

Jiaju Tibetan Village

The jewel of the Jiarong Tibetan culture in the clouds

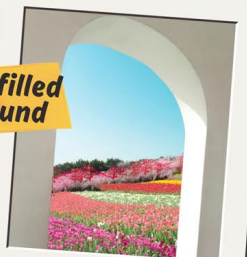

Jiaju Tibetan Village was recognized as the "First of the Six Most Beautiful Villages and Ancient Towns in China" by the magazine "China National Geographic" in 2005. We will pay a **visit to their home** having the close look at the inside of the houses, you can have a basic understanding of the real life of Jiarong Tibetans. Besides, you can learn more from the locals to know their belief, festivals, and customs. How interesting it is.

Manhua Manor

A romantic flower-filled paradise all year round

The manor has large flower fields and flower beds, planted with a variety of flowers and plants. Regardless of the spring, summer, autumn and winter, can enjoy the flowers of different seasons

A low-key royal temple in western Sichuan.

Hui Yuan Temple

Located at the foot of Yala Snow Mountain, it is the only Gelupai temple built by the Qing dynasty. The giant gold-plated plaque of the Hui Yuan Temple, given by Yongzheng Emperor, hangs in the middle of the temple gate.

This is an important habitat where giant pandas live, breed, and thrive in their natural environment.

Step into the world of giant pandas.

Tianfu Honggu

Stay in nature

In the forest, we listen to birdsong and feel the vitality of nature. We let go of negativity, return to our natural selves, and rediscover a sense of ease.

Soft wooden structures exude warmth and simplicity, embraced by tea rooms, reading towers, and woodland trails — serene and full of quiet vitality.
