Mingshui Ancient City features classical, elegant architecture with a meticulous layout. It integrates Baimai Spring and Li Qingzhao's former residence with the new constructions, all connected by spring water. The scenic area is diverse and rich in content. Each unique, exquisite building offers picturesque views and numerous shops, ensuring a delightful visitor experience.

Hello Everyone! I'm Li QingZhao, an artist from Song Dynasty. I have written famous poems, including 'Ru Meng Ling'. Welcome to my hometown; please enjoy the beautiful scenery and local culture here.

The scenic area features local specialty snack stalls and restaurants, as well as traditional handcraft shops where you can buy local specialties and handmade crafts. We recommend renting traditional costumes at your own expenses to take a set of photos with a classic, ancient charm.

The ancient city becomes even more charming at night. Strolling leisurely among the quaint buildings, with small bridges and flowing streams, you can truly immerse yourself in the serene and elegant atmosphere of the old town. Spending the night within the ancient city, resting by the waterside, and listening to the gentle sound of flowing water—that is perhaps the true essence of travel!
