- ShengSheng Garden -

Located in Linyi, Shandong Province, this distinctive woodland is renowned for its clusters of ancient ginkgo trees. In late autumn, the forest turns a brilliant golden hue, making it a celebrated destination for fall foliage viewing and photography.

- Hongye Shiyan Scenic Area -

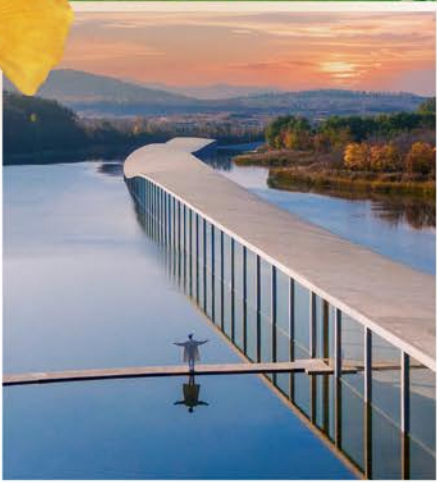

Zibo's autumn romance is hidden in Hongye Shiyan. Vast stretches of crimson foliage blaze like a sea of fire, while persimmons hang from the branches like glowing red lanterns—every snapshot looks like a wallpaper-worthy masterpiece.

Who would have thought that Shandong has its own "Altay."

- Egret Bay Town -

A small town filled with artistic flair and a strong sense of design.

Strolling along the waterfront, egrets glide gracefully by. The streets of the town are quiet and exquisitely charming. The aroma of coffee, the gentle breeze, and the shimmering lake together create a leisurely rhythm. No rush—just savoring every tender moment. At Egret Bay, life seems to slow down, letting you fully embrace the beauty of the present.

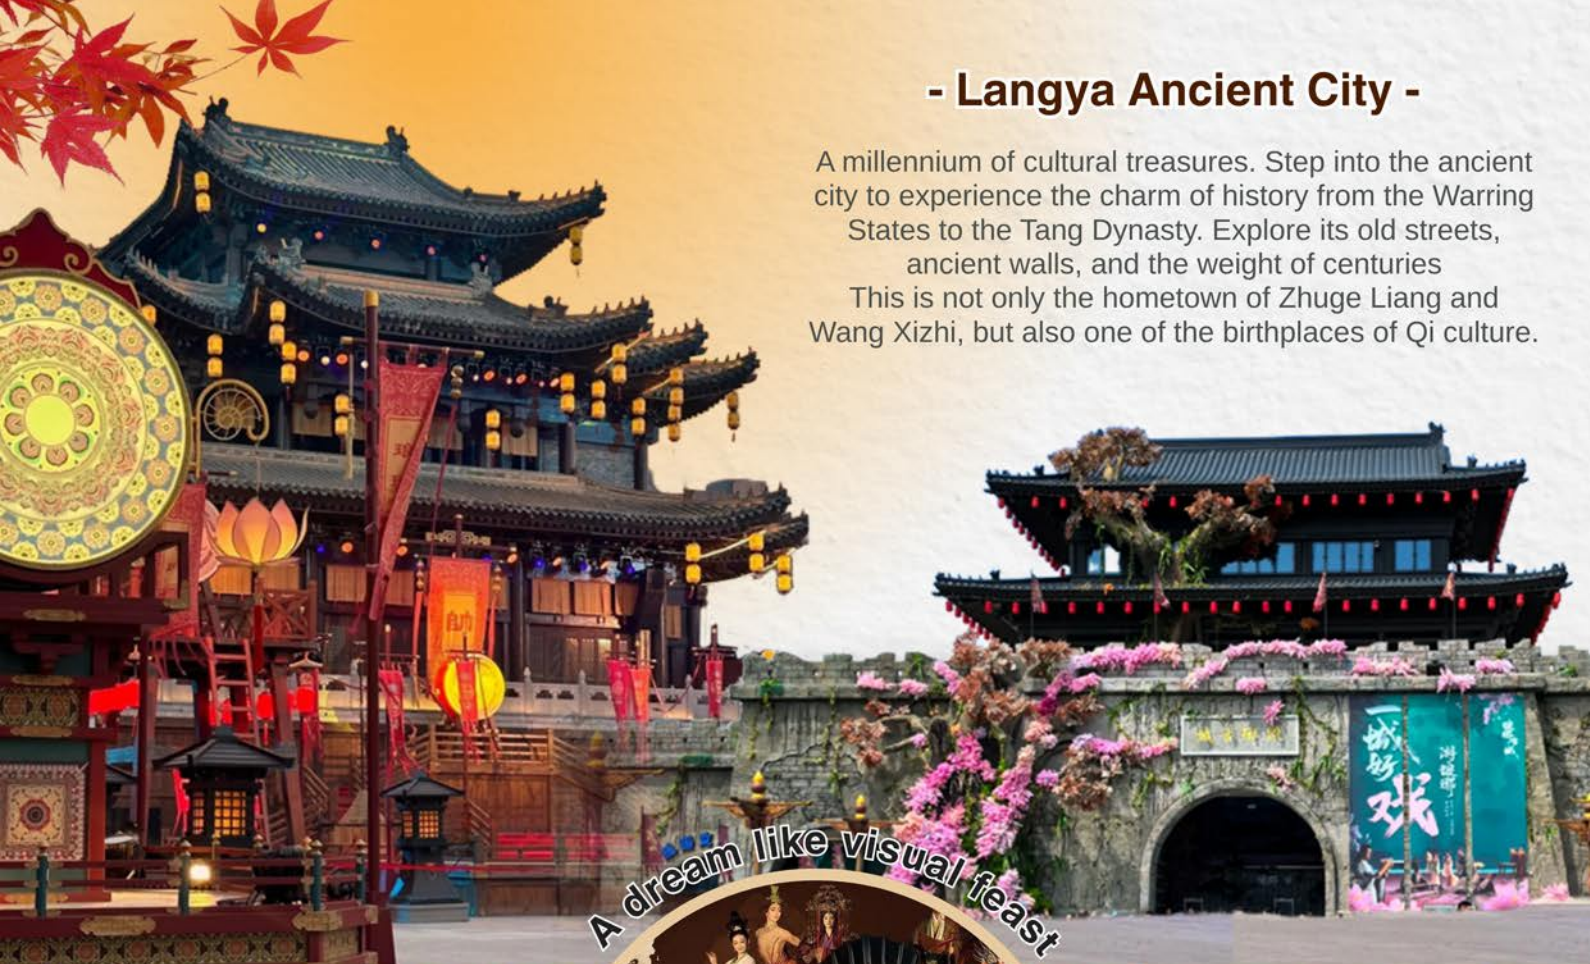

Everything that comes out of the kiln is full of great flavor.

A slow-roasted kiln chicken carries the warmth and everyday charm of Rizhao.
